Hi Karen,

Not sure if you have seen this petition that was filed with EPA today. Wondering if it will have an impact on the Permit Quality Review?

Subject: Ecology's Puget Sound NPDES permits -- petition to EPA

Hello Heather and others,

I'm attaching a petition we filed today with EPA to remove Ecology's NPDES authority based on its failure to meet federal legal requirements for Puget Sound permits. If you have any questions, please do not hesitate to contact me. If you would like a CD with the attachments, I can send that in the mail to you.

Nina
